As you retire, keep a firm grip on your perspective toward life. Life is not measured so much by the quantity of days, but by their quality.

Bring your all to bear upon the coming days of your life, so that each day will be the fulfillment of a hope, a dream..

Fill your days with beautiful memories and joyful moments. Don't retire from life, but continue to experience all that life has to offer. As you retire, share your wisdom and your knowledge. See the gift of retirement as a gift of new horizons.
